**Q.1.**

(10)

The Aligarh Movement initiated the two-nation theory in the Subcontinent. Though the movement was primarily aimed at promoting quest for education among the Muslim youth, it turned out to be a platform that distinguished Muslim community from the Hindu community. The Movement inspired leaders and thinkers alike; Quaid-e-Azam Muhammad Ali Jinnah and Allama Muhammad Iqbal to name a few. **Elaborate** the role of the Aligarh Movement in promoting Muslim nationalism, which led to emergence of two-nation theory in the Subcontinent. Your answer should be based on solid arguments reflecting your own learning about the topic.

**Q.2.**

(10)

The All India Muslim League was established in 1906 because of the several political, social and economic reasons Do you agree or disagree? **State** your arguments on the basis of at least one of the above-mentioned reasons. The discussion and analysis should reflect your own views about the topic.

**Q.3.**

(10)

The repeated non-constitutional interventions, which were also endorsed by the Supreme Court, led to constitutional breakdown in the country. **Summarize** the constitutional history of Pakistan over the past 73 years by providing proper justifications and arguments in your own words.

**Q.4.**

(10)

The independence of Pakistan completed one phase of the struggle and initiated a new phase to work for a stable and prosperous Pakistan, which started its journey under very difficult and unfavorable circumstances. In your opinion, what problems do we face after 73 years of independence? **Describe** any two problems in detail.

**Q.5.**

(10)

The big powers have caused irreparable damage to international peace in their efforts to establish their supremacy in the world. Pakistan has been playing a prominent role on the international forums to foster friendly relations among nations and promote human rights. **Paraphrase** your arguments that should reflect your own views about the topic.
